Dear Fernando:

On behalf of the entire Board of Directors of the MTRA, we want to thank you sincerely for your contribution to our Examiners' School in Kansas City. Your effort in organizing the session on Front MSBs in the US-Brazilian Corridor is deeply appreciated.

Your interest in this conference, as well as your willingness to participate, has greatly enhanced the growing relevance and importance that the MTRA conference has today.

We are currently compiling the comments by the attendees via an online survey tool. When we have gathered a sufficient response, Susan Shermer will send you the feedback on your session.

We hope to see you in attendance next year in Tucson, AZ on September 19-22, 2016. Thank you again for your hard work and effort!

Sincerely,

Doug Buras
President, MTRA
